

PRIVACY POLICY

Last amended: Marth 31, 2024

Please read these **Privacy Policy** carefully before using our site ("**SITE**"). These **Privacy Policy** are an agreement concluded between you ("**You**", "**Your**", "**User**") and Monolith SPC a company incorporated and registered in Cayman Islands at 69 Dr Roy's Drive, PO Box 2510, Grand Cayman, KY1-1004, Cayman Islands (also "**Company**", "**We**", "**Us**", "**Our**") and is a part of and to be read in conjunction with the Our Site Terms of Use ("**Terms**") {<https://monolith.overdone.it/>} which governs your access to our Platform.

This Privacy Policy sets out the types of personal data that we hold on you, how we collect and process such data, how long we keep it, and other relevant information about your personal data being processed in connection with your access to and use of the Site. Personal data or personal information means any information directly or indirectly identifies you as an individual. In this Privacy Policy we use "personal data" and "personal information" as synonyms.

IF YOU DO NOT AGREE WITH ANY PART OF THIS PRIVACY POLICY OR OUR TERMS OF USE, THEN PLEASE DO NOT USE ANY OF THE PLATFORM.

Personal Information

Personal information as used in this Privacy Policy is equivalent to "personal data" as defined in the European Union General Data Protection Regulation (GDPR).

Warranty

You warrant that collection and use of any personal information or data you provide while using the Site complies with all applicable data protection laws, rules, and regulations.

About Personal Data

- Some of the information you provide us may constitute sensitive data as defined in the GDPR (also referred to as special categories of personal data), including identification of your race or ethnicity on government-issued identification documents.
- Users are empowered to explore client-side privacy techniques and tools. Any material changes to privacy will be reflected in an updated privacy policy.
- Privacy is central to everything we do at the Company. We do not maintain user accounts and do not collect and store personal data, such as your name or internet protocol ("IP") address.

Data We May Collect

- contact information such as your email address
- your name and/or your last name

- name of your company, registration code, name and last name of authorized person, the number of employees
- information required to comply with anti-money laundering (AML) laws and know-your-customer (KYC) requirements (such as your first name, last name, nationality, date of birth and gender, registered address, security address)
- information from localStorage and other tracking technologies. We and our third-party services providers may access and collect information from localStorage, mobile deviceID, cookies, web beacons, and other similar technologies to provide and personalize the services and features of the services for you across sessions. Information we collect from these technologies may include things such as browser type, referring/exit pages, operating system, device or browser language, and other device information.
- information from other sources - third parties.

Further Information:

- correspondence. We will receive any communications and information you provide directly to us via email info@monolith.vc or when you participate in any of our marketing questionnaires.
- survey or usability information. If you participate in a survey or usability study with us, we will record any biographical information you directly provide to us (identity information, such as your country of birth, nationality, place of birth, employer and occupation), the responses you provide to us, and your interactions with the Platform.

Google Analytics. When you access and use the Site, certain data may be collected automatically via the Google Analytics solution (“Analytical Data”). The information gathered by Google Analytics includes the following: (1) IP address, (2) the type of device used, (3) the device operating system, (4) the browser used. After collecting the personal data, Google Analytics creates reports about the use of the Site, which contain the aggregated information where we do not see any data pertaining to a particular person. In other words, we cannot identify you from the other visitors of the Site. Please note that according to [Google Analytics documentation](#), the IP address is anonymized (masked), so neither we nor Google can identify the IP address of a particular visitor. In addition to the above, with Google Analytics we collect certain information regarding the use of the Site, for instance, when you clicked a certain button or made some input. This information is also aggregated and we cannot identify your actions from the actions of other Site visitors.

How We Use and Share The Data

We do not sell or rent out your data. However, we may share your personal data in accordance with this Privacy Policy, applicable legislation, or with your consent, in each case for the purposes of and if it is reasonably necessary:

- to provide you with access to the Site

- develop new products, services, features, and communicate with you, either directly or through one of our partners, including for customer service, to provide you with updates and other information relating to the Site
- send you emails from us about how you use the Service and interact with us
- for compliance with the applicable laws and regulations
- marketing information.

Please note that if we share any portion of your personal data with third persons, we will endeavor to secure such transfer using appropriate legal, organizational, and technical measures.

Your personal information may be shared with these recipients:

- our affiliates, a controlling person, controlled by, or under the same control with us
- analytical solution providers
- marketing team
- support team
- legal team
- hosting service provider
- email delivery service provider
- government authorities, if it is necessary to comply with our legal obligations;
- another legal entity if we sell or otherwise transfer the Site or its part; and other third-party solutions, which may be from time to time integrated into the Site.

Access & Disclosure

Except as described in these Policy or our Terms: (i) we may access, preserve, or share any of your information when we believe in good faith that such sharing is reasonably necessary to investigate, prevent, or take action regarding possible illegal activities or to comply with legal process (e.g. a subpoena or other legal process); and (ii) we may also share your information in situations involving potential threats to the physical safety of any person, violations of our Privacy Policy, Terms of Use, or any other of our user agreements or terms in effect; or to respond to the claims of violation of the rights of third parties and/or to protect the rights, property and safety of our company, Platform, our employees, users, or the public. This may involve the sharing of your information with law enforcement, government agencies, courts, and/or other organizations.

Your Responsibility

You shall be responsible for data that you provide or use in respect of our Site. You are solely responsible for determining the suitability of use of the Site for your business or organization and complying with any regulations, laws, or conventions applicable to the data you provide and your use of our site.

Partners. Third-Party Links

Some of the advertisers or partners on our Site may use cookies and web beacons. Each of our advertising partners has their own Privacy Policy for their policies on user data. We may integrate technologies operated or controlled by other parties into parts of the Services. For example, the Services may include links that hyperlink to websites, platforms, and other services not operated or controlled by us. Please note that when you interact with these other parties, including when you leave the Site, those parties may independently collect information about you and solicit information from you. You can learn more about how those parties collect and use your data by consulting their privacy policies and other terms.

Third-party ad servers or ad networks use technologies like cookies, JavaScript, or Web Beacons that are used in their respective advertisements and links that appear on the Site, which are sent directly to users' browsers. They automatically receive your IP address when this occurs. These technologies are used to measure the effectiveness of their advertising campaigns and/or to personalize the advertising content that you see on websites. Note that we have no access to or control over these cookies that are used by third-party advertisers.

Cookies

We may use services provided by Google and other third parties that use tracking technology such as cookies, deviceID, and localStorage, to collect information about your use of the Services and our interactions with you. You can opt out of having your online activity and device data collected through these third-party services, including by:

- blocking cookies in your browser by following the instructions in your browser settings. For more information about cookies, including how to see the cookies on your device, manage them, and delete them, visit www.allaboutcookies.org.
- blocking or limiting the use of your advertising ID on your mobile device through the device settings.
- using privacy plug-ins or browsers. Certain browsers and browser extensions can be configured to block third-party cookies and trackers.

Using the platform opt-out provided by Google at <https://adssettings.google.com>. You can learn more about how Google uses your information by reviewing Google's privacy policy at <https://policies.google.com/privacy>. To our knowledge, the data collected via Google Analytics is not anonymized (with the exception of the IP address) and will be transmitted to, processed and stored by Google in the United States. You can learn more about how Google processes personal data in [Google's privacy policy](#).

Note that competent US state authorities may have access to the personal data collected via Google Analytics.

Security

We implement and maintain reasonable administrative, physical, and technical security safeguards to help protect data from loss, theft, misuse, unauthorized access, disclosure, alteration, and destruction. Nevertheless, transmission via the internet is not completely secure and we cannot guarantee the security of information about you.

Children personal data

The Site is not intended for the use of children (under 18 years old or older, if the country of your residence determines a higher age restriction). We do not knowingly market to, or solicit data from children. We do not knowingly process, collect, or use personal data of children. If we become aware that a child has provided us with personal information, we will use commercially reasonable efforts to delete such information from our database within a reasonable timeframe. If you are the parent or legal guardian of a child and believe that we have collected personal information from your child, please contact us.

Regulations for European Union and Others Subjects

Your rights under the General Data Protection Regulations (“GDPR”) include the right to (i) request access and obtain a copy of your personal data, (ii) request rectification or erasure of your personal data, (iii) object to or restrict the processing of your personal data; and (iv) request portability of your personal data. Additionally, you may withdraw your consent to our collection at any time. Nevertheless, we cannot edit or delete information such as your transaction data, bank details and your funds that may be related to the data we collect but are beyond our control.

How long We Process Your Data

As a general rule, we keep the data as long as it is necessary for the purposes it was collected.

We may process certain personal data longer than outlined below, if it is necessary: a) we process the analytical data for up to two (2) years; b) we store your personal data for up to three (3) years; we store your contact data for one (1) year from the last date when you contacted us regarding the same matter.

Change of the Privacy Policy

We reserve the right to change these Privacy Policy at any time in accordance. If We make changes to these Privacy Policy, We undertake to publish the updated Privacy Policy in the website of Site and indicate the date of the "**Last amended**" at the beginning of these Policy. If You do not agree with the amended Policy, You may immediately terminate the Agreement with Us by ceasing to use our Site. If you continue to use our Site, these Privacy Policy will go into effect. Please check this page periodically to make sure you agree with the changes.

Our contact information

To exercise any of your rights under the GDPR, please contact us at info@monolith.vc . We may require additional information from you to process your request. Please note that we may retain information as necessary to fulfill the purpose for which it was collected and may continue to do so even after a data subject request in accordance with our legitimate interests, including to comply with our legal obligations, resolve disputes, prevent fraud, and enforce our agreements.

If you have any other questions regarding our Site, please email us info@monolith.vc .
